# CASADRON®

## HEALTH TECHNOLOGY

### MORE QUALITY OF LIFE

**AGENTS REQUIRED  
IRELAND & U.K.  
NATIONWIDE**

*AIR INPUT (TIRED WEAK & DIRTY)*

**THE WORLD'S NO 1! STAND ALONE AIR PURIFICATION SYSTEM**

**TO BE LAUNCHED IN IRELAND SEPTEMBER 2008**

- Major concerns that Ireland's respiratory problems are worsening
- Ireland is fourth worst in the world for asthma and allergies
- Bad air can lead to fatigue, lack of concentration – even illness
- **Casadron®** creates an atmosphere of ambient tolerance, calmness and clean air
- Most people spend 90% of their time indoors
- Particulate & Ultra-particulate matter will be removed from the air
- Airborne viruses & bacteria are removed
- An average person will eat 1 kilo of food per day, drink 3 litres of water and breathe 8,640 litres of air

**SHOULD INDOOR AIR QUALITY BE CLEAN?**

*AIR OUTPUT (NICE CLEAN & HEALTHY)*

# CASADRON®

## HEALTH TECHNOLOGY MORE QUALITY OF LIFE

### GOOD INDOOR AIR QUALITY

LEADS TO A HEALTHIER LIFE AND LETS YOU BE MORE PRODUCTIVE

Using:

- Aerosols – generates *BUTANE & PROPANE* gases
- Bleaches – kills *GOOD & BAD* germs
- Vacuum Cleaning in your *HOME & OFFICE* causes harmful air quality

### BAD INDOOR AIR QUALITY

LEADS TO RESPIRATORY PROBLEMS FATIGUE & ILLNESS

- **CASADRON®** unique electrostatic filtration technology is know worldwide as the most effective way to clean air (Electrostatic Precipitation Principle)
- Free-Standing or wall mounted (no expensive installation costs)
- Cleans 216,000 Litres of air every hour
- Absorbs more than 4,000 known harmful substances, even germs, bacteria & viruses
- Particle absorption: down to  $< 0.1\mu = 1/10,000\text{mm}$

### TECHNICAL DATA

Air Capacity per hour – 216 m<sup>3</sup>  
Power Supply 230V / 50 – 60 Hz  
Noise Level 32dbA / 46dbA

Filter Efficiency – 99.9%  
Power Consumption 15W – 36W  
Size 147 / 165 cm  
Weight 16kg

**HEALTHY CLEAN & FRESH AIR 24/7**

FOR €2.40 PER DAY (10c PER HOUR!) – over the lifetime of the appliance – 10 years
